

## You Give and You Take Away

(verse 1)

**F C/E Dm C**  
Lord, break the bone  
**Bb C F**  
And set it in its right place  
**F C/E Dm C**  
For, to heal whole  
**Bb C F**  
Is worth the pain of the break

(chorus)

**F C/E Dm C**  
You give and You take away  
**Bb C F**  
In ways we cannot know  
**F C/E Dm C**  
You give and You take away  
**Bb C F**  
But I trust You, I trust in You

(verse 2)

When I was in the mud  
I prayed for You to save  
You came and pulled me up  
Just to wrestle me in the clay

(bridge)

**F C/E Dm C**  
Sure - ly I've spoken of things  
**Bb C F**  
I cannot understand  
**F C/E Dm C**  
Sure - ly You're holy  
**Bb C F**  
and I trust You, I trust in You
