

Fireflies

(verse)

G
The truth is our lives
D/F#
Are like the pretty fireflies
Am G/B C
They look so nice and so bright tonight

G
But awake on the morn
D/F#
See all the pretty lights are gone
Am G/B C
What'd they learn from their turn on the earth

Am G/B C
And did they shine with the light of worth

(chorus)

G
Oh God, I wanna shine
D/F#
I wanna shine for You
Am G/B C
I wanna shine Your truth and Your beauty and Your grace

G
Oh God, I wanna shine
D/F#
I wanna shine for You
Am G/B C
Before my time is through and I leave this place

Am G/B C G
To see the light that shines in Your face ... I wanna shine for You
