

Gain

(verse)

I've tasted and seen how good is the Lord
I've tasted and seen, now I adore (repeat)

(pre-chorus)

The best of this life is
Loss next to the bliss
Of knowing just Him...of knowing just Him

(chorus)

Christ is my only gain
In death or life, my only gain

(verse)

Oh my God, what good would it be
To gain the world and not have Thee (repeat)
