

One and Only

(verse 1)

G **Am**
God above all other Gods
G/B **C**
Share Your glory, You will not
G **Am**
Jealous of Your Holy Name
G/B **C**
You, alone, shall be praised

(pre-chorus)

G/B **C/A**
There's no other God, there's no other God
G/B **C** **D**
There's no other God but You

(chorus)

G **C/E**
From eternity to eternity
D/F# **C**
You are the One and Only
G **C/E**
And above all else You are glorious
D/F# **C**
You are the Only and Only

(verse 2)

For Yourself, You made this heart
That I might see how great You are
So far above, so far beyond
The One, the True, the Only God
