

So Much Pain

(chorus)

C Why the thorns and whip? Why the laughs and spit? **G**
F Would less a kinder death have gained? **C**
Am Why the piercing spikes? Why the spear in Your side? **G**

(verse 1)

I understand the need
The price had to be paid for sinful man to be redeemed

I understand the death
There's no other way, blood had to be shed

(verse 2)

I'm humbled by the thought
Amazed by the grace, Christ, You did not die for naught

I know I was not there
I did not see Your face or the cross You had to bear

G His fate was sealed **Am**
