

The Joy of Knowing Thee

(verse 1)

Lord, my one delight
And my greatest joy
Is in knowing my Christ
And hearing Thy voice

Precious to my soul
By my All, be my Only
Chains of pride now fall
In the joy of knowing Thee

(verse 2)

Oft affections wane
And my spirit strays
Lord, I pray for Your reins
And fall on Your grace

May this wandering heart
Lord, by Your stubborn mercy
Ne'er again depart
From the joy of knowing Thee

(verse 3)

And when darkness falls
Your presence seems far
Still my peace in all
Is knowing Who You are

You're a God Who is close
Even when silent seeming
Be it weak, still my boast
Is the joy of knowing Thee

(verse 4)

Christ, unspeakable
Like nothing compare
Now my spirit soars
In blessed a - ffair

Waves of joy now roll
Like a well overflowing
Springing up from my soul
This great joy of knowing Thee (3x)
